

Departmental CEIAG Plan 2018-19

Computing

Year	Activity	Objectives	Support/Funding/Staffing
8	Computing Career focused starters.	To highlight possible career opportunities that are available in computing.	Done as part of CS taster lessons.
10	Data Careers lesson.	Used to highlight career opportunities in data. This is specific to the IT Cambridge National.	Done as part of 2017-2018 curriculum.
7/8	Computing career focused lesson.	To highlight possible career opportunities that are available in computing.	Planned as part of 2018-2019 curriculums. AM to add to computer systems unit.
All	Cyberfirst Girl's Coding Competition	To focus on STEM opportunities for girls including GCHQ.	Too late for this year. Will research and consider prospect of entering a team in 2019.
All	Departmental CEIAG displays	Display showing IT/Computing related careers and requirements. Complete in W12. Planned for S11.	Admin support for clearing / backing as needed.
