

# OFSTED PARENT VIEW QUESTIONNAIRE RESULTS

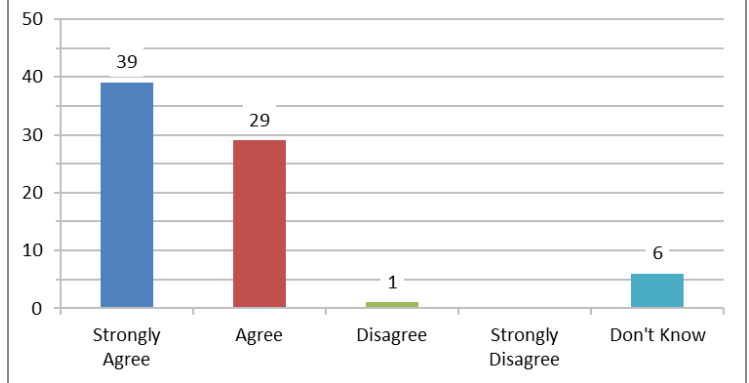

YEAR 10 PARENTS EVENING, MARCH 2018 (75 RESPONSES IN TOTAL)

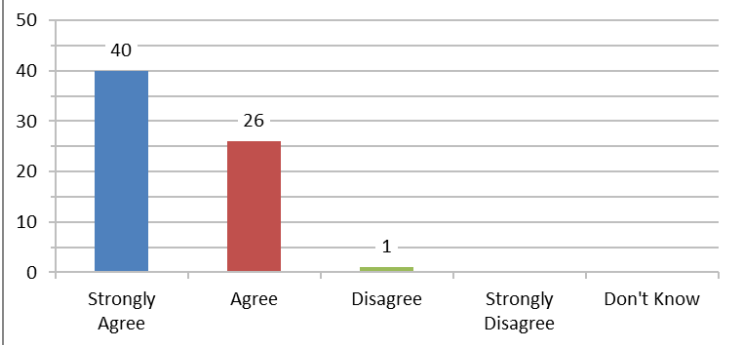

**9. This school is well led and managed**

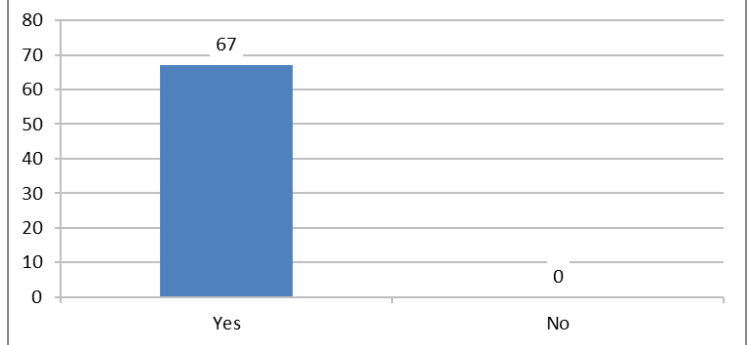

**10. This school responds well to any concerns I raise**

**11. I receive valuable information from the school about my child's progress**

**12. Would you recommend this school to another parent?**

**Additional Comments:**

- There should be more time allowed for the parents to talk to the teacher of their choice. I don't think 5 minutes is enough or it could be spread over two evenings.  
*Response from school: We are happy to arrange further individual meetings if you need further time to discuss your child's progress. Please contact your child's HAL.*
- Excellent communication between school and parents. Always available at the end of a phone or email. Receive support in terms of any concerns or issues raised. Feel that inappropriate behaviour is dealt with timely and effectively.
- Never had any issues with the school. Very happy with our daughter's progress.
- Communication between teachers to parents if any issues arise would be good. Having a child in Year 10 who has difficulty communicating at the moment and I feel that if teachers have issues they should contact parents directly. For my current son's situation a plan has now been set and hopefully this will improve his efforts in class and at home.
- I'm very happy my son is studying at Parklands.
- We love Parklands our children feel safe, secure and ENJOY IT.
- The school has been great, my daughter has been very happy here.
- As a teacher I have worked in many schools. Parklands is a wonderful environment for my son and I believe he is receiving an excellent, first rate, education.
- Thank you.
